

# SPONSORSHIP OPPORTUNITY

## STUDENT MENTORING LUNCHEON AT THE 2025 (51<sup>ST</sup> ANNUAL) USNC-URSI NRSM

**\$5,000**

- Support a student mentoring luncheon for ~100 students attending the National Radio Science Meeting (NRSM) in Boulder, CO each January.
- Funding will help cover the cost of food, which is served buffet style.

### SCHEDULE

Students help themselves to a buffet lunch and eat at tables with professionals in the field. A panel session with three panelists (typically one from academia, one from government, and one from industry) is then held during which students ask questions.

### USNC-URSI AND THE NRSM

The United States National Committee (USNC) for the International Union of Radio Science (URSI) is comprised of 10 scientific commissions relating to applied electromagnetics. The NRSM attracts ~400 attendees from universities, government labs, DoD contractors, etc.

### BENEFITS

- Recruit, including U.S. citizens
- Recruit women (from our Women in Radio Science or WIRS Chapter)
- Find collaborators for SBIR/SBTT proposals
- Display your logo at the student luncheon (e.g. table centerpieces), in the Conference Program, at the conference registration desk, and during the WIRS Business Meeting.
- Receive one complimentary NRSM registration
- (Optional) Host a booth in the main lobby next to the registration desk
- (Optional) Choose someone from your company or institution to serve as a panelist
- (Optional) Deliver a 5-minute "Lightning Talk" at the beginning of the luncheon
